PREFACE.

IT gives me great pleasure to have been able to compile this Memorial Register, which is presented to the members of the Old Charlestown School Boys Association only, through the generous co-operation of one of our most honored members. I was unable to use some of the original records, which have been lost or destroyed; but I was so fortunate as to have records of my own, and these, with the aid and advice of another member of the Association, have enabled me to make the Register quite complete.

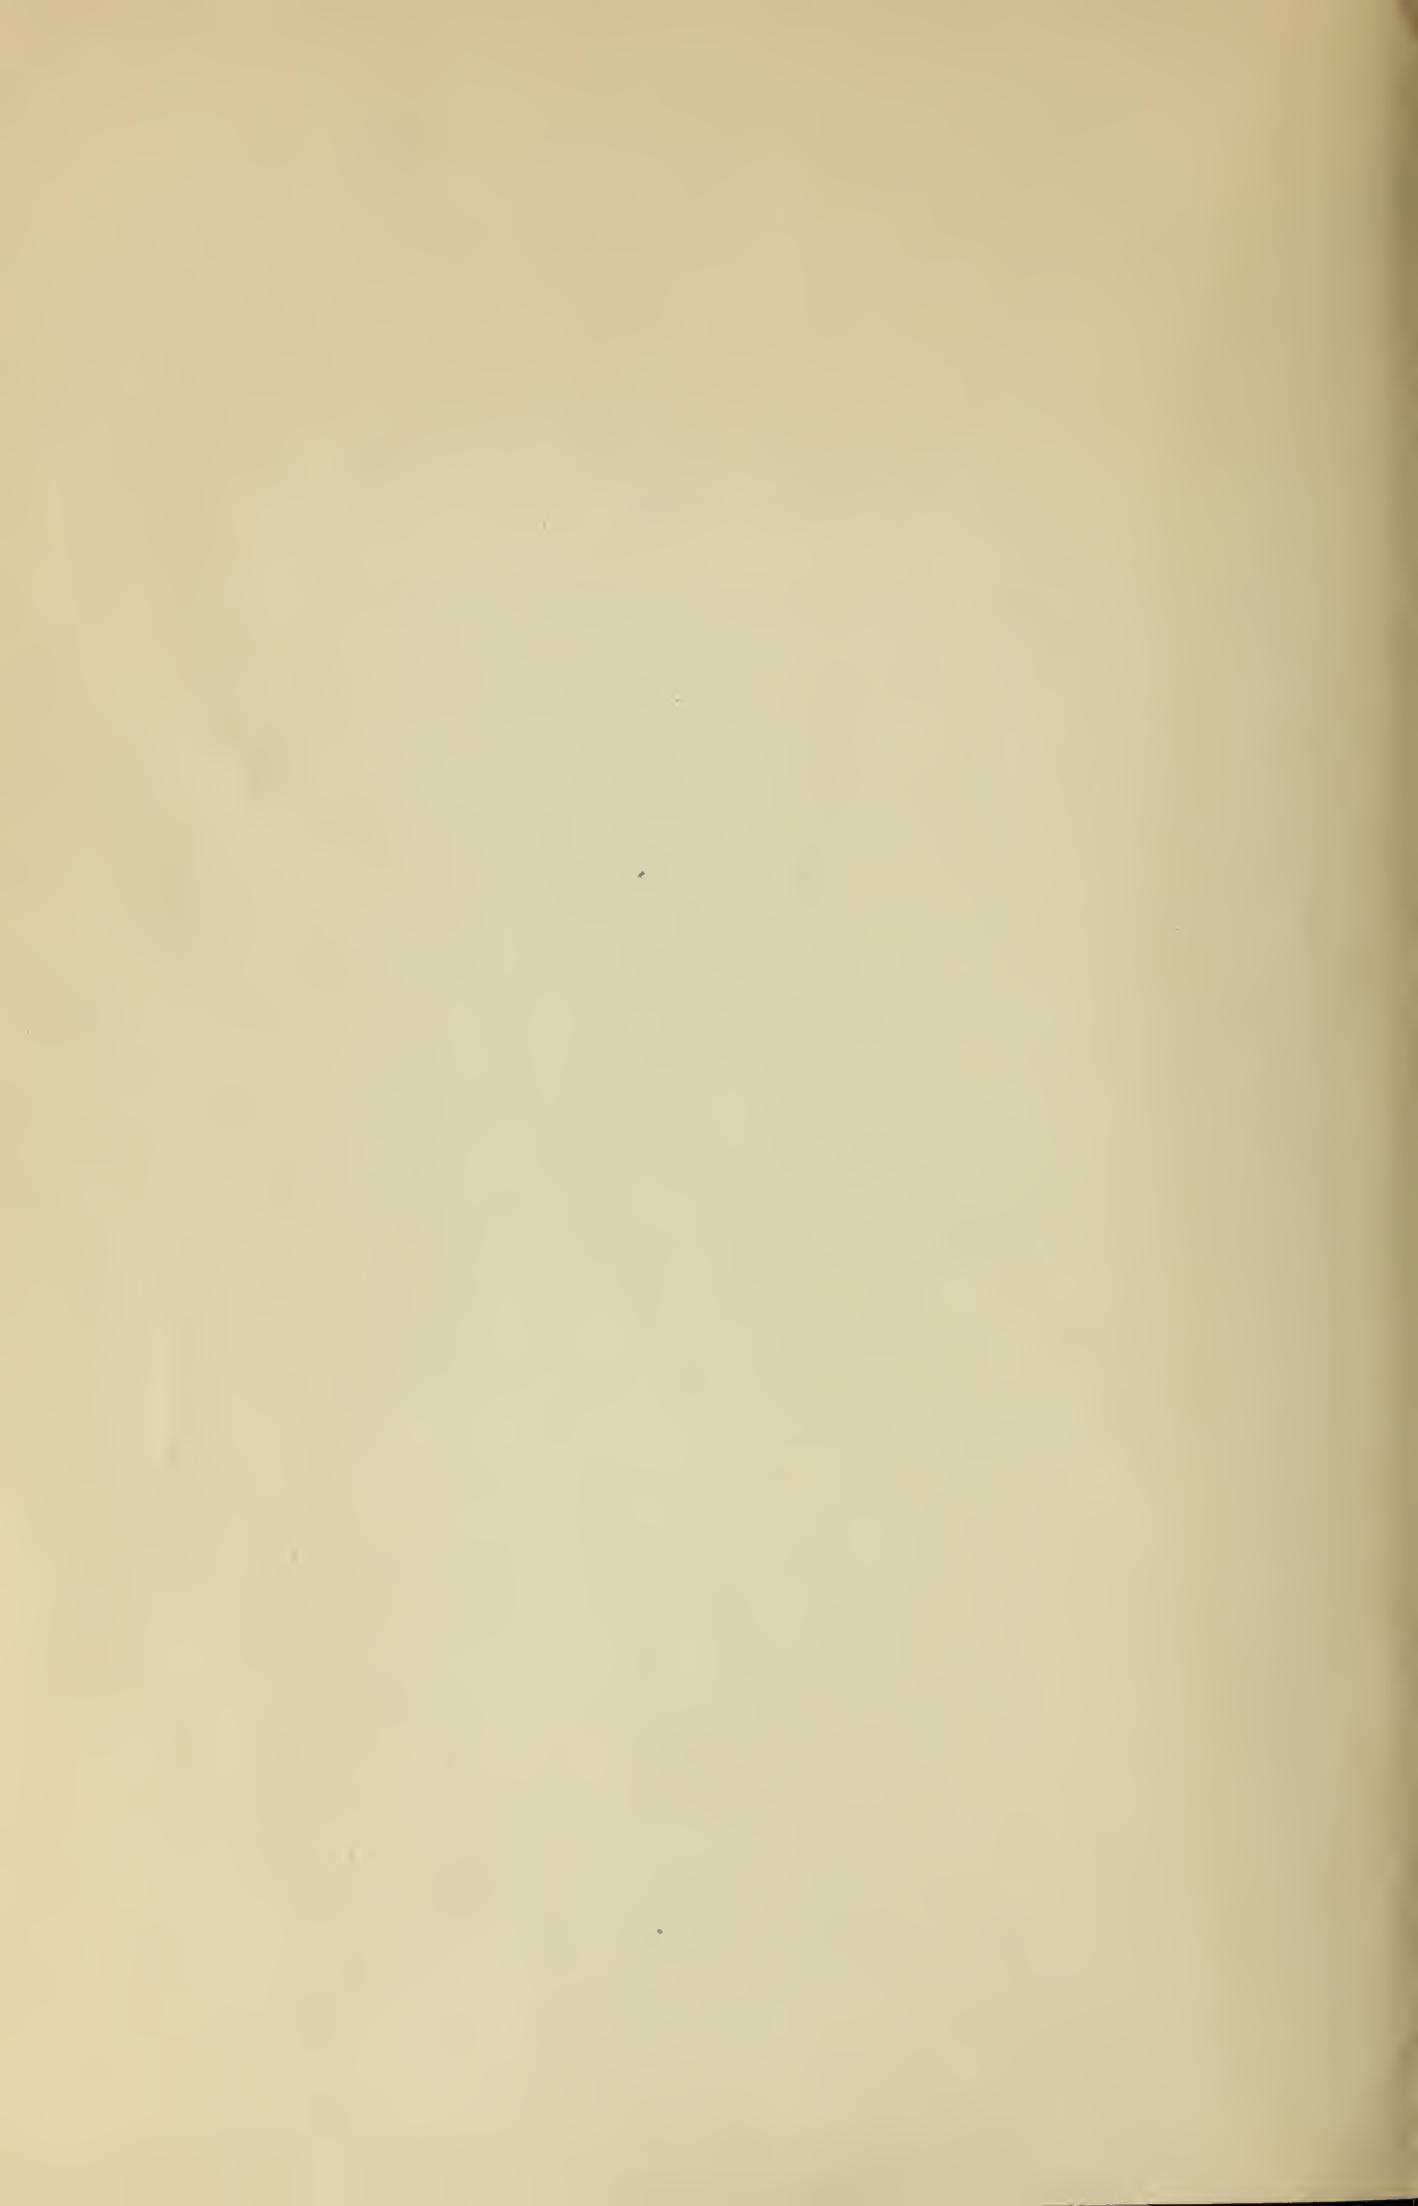

The admirable work of the University Press and the remarkable reproductions by the Folsom & Sunergren Company of my own drawings, merit the highest commendation.

With advancing years our minds naturally recur to our school days, to the schools we attended, and to our teachers. By a little study of these sheets the members will be able to recall the happy years of childhood and youth spent in the schools of Charlestown, and to trace their progress from one grade to another.

JAMES EDWARD STONE,
Secretary.

Elm Street Primary, Prescott, and High Schools.

BOSTON, 12 April, 1915.
